815 Read Government Memorandum No. 26722-1D-1 P.H., dated 21st June 1929 stating that the Government regret that they are unable to comply with the request of the Taluk Board, to exclude the four blocks of servants' quarters attached to the Udipi Hospital, from the Conveyance deed relating to the transfer of the Hospital to the Government.

Also Taluk Board resolution No. 665/31-5-1929 and all connected papers.

The Taluk Board very much regrets its inability to convey to the Government, Servants' quarters as required in the above Government Memorandum. It further desires to be permitted to add that the requirements of para 1(a) of G.O.No. 896 P.H., dated 17-4-1928 are completely satisfied by the Conveyance to the Government, free of cost, the buildings (together with the site) in which the institution (i.e, the hospital) is located and also the furniture and equipment. The purpose for which the quarters are

proposed to be utilised is stated already in the President's letter Ref on C.No. 50/29 Sup dated 5th March 1929 read in Government Memorandum No. 11852-1D.1 P.H., dated 8th April 1929. The Board wishes to invite attention of the Government to the absolute need of these buildings to it which combined with the heavy cost of construction and acquisition of new buildings and sites respectively which make plain to the -- Government the reason why this Board is unable to accede to the Government's request. The Board therefore requests that the Government may be pleased to accept conveyance only in respect of the Hospital and to exclude the servants' quarters from the proposed conveyance.

The Govt. may refuse to take over the management of the dispensaries referred to

2. In G.O No 1212 Local Dt 1.4.27, the Govt sanctioned to the Udipi Tk Bd a compassionate grant of Rs 2550 to make up the recurring deficit in its general revenues. As a result of the provincialisation of the Local Fund hospital at Udipi, the Tk Bd was relieved of an expenditure of about Rs 8700 which was incurred on the hospital. In G.O No 4712 Local Dt 27.11.28, therefore it was ordered that no compassionate grant need be given to the Tk Bd. If the Tk Bd is now asked to take over the management of the hospital, the compassionate grant of Rs 2550 originally given to the Bd will have to be restored.

Madras 19/6

Section 112 (iii) of the Madras Local Boards Act, 1920 and rule 1 B (4) of Sch. V to the said Act lay down that the funds of a local body may be applied to the construction or

establishment and
maintenance of hospes. & dispensaries.

From these it follows that the maintenance of a hosps. or disp^{y} is not obligatory on the part of a ~~board~~ taluk board. The Udipi Taluk Board cannot therefore be compelled to maintain the Udipi Hosp.

mvr. 24.6.30 Ge. 24.6.30

On the other hand, S. 121 L.B. Act allows the Govt. to obtain such contribution as they shall name from a local board if the Govt. incurs expenditure for any purpose under Sch. V & such as to benefit the local inhabitants. The maintenance of this hospital undoubtedly falls into this category. We may tell the T.Bd. that Govt. will maintain the hospital in future & recover the cost from the T.B. This procedure may bring the members to their senses.

S.

I should be inclined to leave their hospital case in their hands, reserving the compassionate grant of Rs 2500/-. We have already declined to take over

the dispensaries by the Bd can
run them if can close them & the

genuine effort to improve
rural medical relief but when
we encounter cases of this type
we are checkmated.
